ADDITIONAL INFORMATION

- 1.** Magic Tour Colombia consciously works to provide a quality service that guarantees, within our destinations and tourist proposals, sustainable development from an environmental and socio-cultural point of view. Respecting the communities, their heritage, values and traditions. That is why we invite you to read a little more about our sustainability policy here. You will find tips to take care of the planet, to organize your trip, to be a good tourist among others.
- 2.** Your trip can contribute to economic and social development. Buy local crafts and products to support the local economy. Support local communities and indigenous groups in the area.
- 3.** In the Company we do not support the illegal trade in flora and fauna species, the pollution of the environment and we do not support the illegal trade of cultural goods, and we also reject discrimination or acts of racism, we apply the rules to prevent and counteract the exploitation, pornography and sex tourism with minors.

4. If for any reason you voluntarily decide to terminate the tour earlier than scheduled in the itinerary, you must ask the guide for the INFORMED CONSENT FOR THE END OF THE TOUR form and sign it. If you do not sign it, the tour will not be terminated.

5. The COVID 19 test (antigen test, the most recommended and fastest) will be requested at least 3 days before starting the tour and that it has a negative result to access the trail, or a certificate of vaccination against Covid 19 with a complete scheme, this in order to avoid virus infections among indigenous communities. You can do this test in the laboratory you want, as long as it does not exceed 3 days between the date of taking and the date of the tour, that it is for antigens and has the quality standards of the laboratories to give results, On the other hand, If you wish, we can help you with this test, with the laboratory with which we have an agreement with several headquarters nationwide, it has a price of \$ 80,000, a value that is not included in the price of the tour, but has the assistance of the company for travel, scheduling and receipt of results, it is also mandatory to enter the archaeological park.

5. Payments with international credit or debit cards will have an extra charge of 3%
